

Revision Plan Worksheet

What praise did your peer(s) give you? What are you doing well on?

Summarize the constructive criticism you received from your peer(s). What did they have trouble understanding or feel could use more work?

Figure out your revision priorities by answering the following questions:

- 1) What section of the essay needs the most attention? Or does it need complete restructuring? If you're going to change the order of paragraphs, what needs to be switched?

- 2) Of the questions that your peer(s) asked you, which do you think is the most important to make sure you address in your second draft? Why?

- 3) Do you disagree with any of the feedback you received? Why?

- 4) How can you use the strengths of your essay to make more revisions? What do you want to keep doing because you're doing it well?

If nothing else, I am going to rewrite 1)_____ 2)_____
